

ADP Funding Eligibility for Respiratory Devices

Dear Patient:

Please see below the ADP criteria for funding to replace your CPAP device.

505 Requests for a Replacement Device

505.01 **Clients who have received ADP-** funded respiratory Devices and continue to meet the general (see the ADP Manual, Policy 300, Eligibility Criteria for Program Benefits) and Medical Eligibility Criteria (see Part 3, Applicant Eligibility Criteria for Respiratory Equipment), are eligible to re-apply for Funding either during or after the designated minimum funding period has expired, if there is:

a documented change in the Client's medical/respiratory status and the ADP funded respiratory Device no longer meets the Client's basic respiratory needs, as defined by the ADP; or damage due to normal use and wear, and the Client confirms that the respiratory Device is no longer under warranty and the cost of the repair is more than one third of the original purchase price.

Ref: ADP Respiratory Equipment Policy and Administration Manual September 2012

Should you have any questions about your eligibility for funding please contact the Assistive Devices Program.
